

KJ Invest Capital Ltd.

Business Agreement; Terms and Conditions for Customers of KJ Invest Capital Ltd.

KJ Invest Capital Ltd. submits the offer of management services in the form of investment for cryptic currencies. Trading these same cryptic currencies is invariably done in cryptic currencies and is free of license fees or other fees. For this reason, the market allows monthly payments as well as normal liquidity. All trading is done in listed cryptic currencies such as Bitcoin, Ethereum, Litecoin, Ripple and about ten other coins with a minimum market capitalization of minimum USD 400 million each in exchange for EUR / USD or Bitcoin.

The Benefits: Immediately purchases and sales, no open positions, no trading fees, and weekly accumulated profits in Bitcoin and their monthly payments on your wallet.

Management performance and customer account management cost 33% commission, which will be deducted directly from your expected return. The binding is 365 days! The customer has the right, with a submission of the termination until the 15th of a month after observing the period of notice of 3 months from the 1st of the following month to pay off his capital contribution. Already incurred the company retains returns. If the customer has previously requested returns for payment, they will be deducted from the capital contribution. The difference to the parent contribution will be paid to the customer on his deposited wallet address.

The monthly targeted profit target is 8.00% on your deposit of minimum 0.1 BTC. The profit can vary into negative and positive. However, there is no additional funding required for the customer. The indication of 8% return is to be understood as a return target. The performance can vary between 0 to 8% and higher or even to the negative.

Yes, I would like to use the service, and I agree with the terms and conditions.

KJ Invest Capital Ltd.

Business Agreement; Terms and Conditions for Customers of KJ Invest Capital Ltd.

Cryptocurrency investments, like any other investment in equities, bonds, indices, and foreign exchange, as well as Forex, represent high risks. The investor who expects a high return must also consider and accept that he may lose all of his paid-up capital. However, the dangers in real-time trading in cryptocurrencies deviate significantly from the risks associated with other securities or forex. The risk of open positions is non-existent through direct settlement. However, the client has to be aware of currency fluctuation risks and the risk of cryptocurrencies in your nature even before deciding to participate. KJ Invest Capital Ltd. is not the provider of investment but acts in his capacity only as the one who accepts and mediates client funds. There can be no guarantee for future profits in general.

Also for the technical performance and Server, Up Times is KJ Invest Capital Ltd. indemnify. KJ Invest Capital Ltd. has successfully tested the solutions with their funds for over 12 months and acts to the best of their knowledge and belief. KJ Invest Capital Ltd. Furthermore, it is not liable for fees of the so-called Exchanger and Wallets when it comes to withdrawals. Due to these fees of the Exchanger, the sum of the requested amount in the account of KJ Invest Capital can be differentiated. The investor has to pay for any costs.

If a customer participates from the first to the last day of a month, his trading investment starts on the first day of the following month. For deposits from the beginning of a month, trading start is the first day of the month after next. After the period of 365 days, the customer is entitled to his full remaining investment. The details of the notice period within the first 12 months can be found on page 1 of these terms and conditions.

** Payment Provider fees for deposits and withdrawals are to be considered. However, they are communicated on the websites of the providers. The costs are within acceptable limits compared to other providers.*

KJ Invest Capital Ltd. does not give any information about my participation. For this reason, I am fully aware of all returns, profits, and payments resulting from the participation itself to declare tax and notify the relevant authorities / tax consultants.
